

Designing Resume/cv

Iconic is a fantastic resume design that keeps a lot of white space on the page while allowing you to keep all the necessary details.

Cascade is a resume template that makes great use of space.

This layout uses stylish icons to highlight each resume section and features a touch of color that proves professional doesn't equal black and white.

Icons are as good-looking as they are informative, the layout is very easy to follow, and you can skim it quickly and not miss a single thing.

This resume template is great if you want your work experience to stand out.

Enfold will work great for you if you enjoy structure and logical planning.

Our "Modern" resume template has been designed to ensure recruiters know where each piece of information about your career is.

Vibes is a resume template that embraces modernity.
